

**STUDENT FINANCIAL AID OFFICE
EXECUTIVE & PROFESSIONAL MBA PROGRAM
REQUEST FOR FEDERAL DIRECT LOAN**

In order to apply for a Federal Direct Loan, you must have a complete financial aid file. Once your financial aid file is complete, we will process your loan request. The maximum graduate/professional students may borrow each academic year (depending on eligibility) is:

\$20,500 in unsubsidized loans. The Financial Aid Office will determine your eligibility.
An **unsubsidized** loan is not awarded on the basis of need, but may be used to replace your Expected Family Contribution (EFC). You'll be charged interest from the time the loan is disbursed until it is paid in full. If you allow the interest to accumulate, it will be **capitalized** -- that is, the interest will be added to the principal amount of your loan, and additional interest will be based upon the higher amount. This will increase the amount you have to repay. If you choose to pay the interest as it accumulates, you'll repay less in the long run.

In order to determine the amount you are eligible to borrow, we are required by federal regulations to take into account any funding you may be receiving to offset your educational costs, e.g., tuition being paid by an employer. Thus, please fill out all requested information:
